

**LEADERSHIP IMPACTS THE CHURCH**  
**95 Thesis**

In 1517 Martin Luther nailed his 95 Theses to a church door. The result was what is today called the Protestant Revolution. The entire Church changed because of Martin Luther.

Today you will have an opportunity to write “My 5 Theses,” but we will NOT nail them to our door! To help you write your list, answer this question. *What changes do leaders need to make in the Church so it reaches its full potential in Christ?*

Directions:

List a specific thesis (proposal) for each of the 5 areas of church ministry. Be specific in terms of the changes you recommend in each area.
